## Excerpts from

### *A Diary of a Russian Priest*

"The kingdom of God moeth not with observation...for behold, the kingdom of God is within you." (Luke 17:20-21) Could not the same be said of the eternal fire? Is not hell already here for many people?

\*\*\*

The woman who has "a spirit of infirmity," so Christ affirmed, had been "bound by Satan." (Luke 13:11, 16) Here we are shown another source of sickness--the devil. This is an objection which can be raised against those--for instance, myself--who declare that one must rejoice in sickness, as in all other misfortunes...

\*\*\*

We see the world not as it is in reality but as our imagination and will would have it be. And each of us sees it differently, in his own way, often placing insignificant objects in the foreground and leaving no place whatever for the only things that are really important.
